FAQ's

Who can participate in the classes?

Ready Set Move is an inclusive program that welcomes all grown ups. Mums, dads, grandparents and special friends can all join in the fun. We do ask that only ONE grown up accompanies each toddler to help us abide by space restrictions and requirements. Grown ups need to be physically able to sit on the ground, get up and down off the floor and lead toddlers through the exercises.

What age group does this class cater for?

This program is designed for toddlers/preschoolers from walking age to 3 years who are more comfortable attending class with a grown up.

What happens in the class?

The beginning of the class is the most structured part of the lesson. This circle time includes knee bounce nursery rhymes, the stretchy band, parachute fun and even some toddler aerobics. The next part of the class is a time for toddlers to be creative and use their imaginations playing instruments and our favourite animal dice game. In the third part toddlers love to crawl through tunnels, balance on beams and explore a variety of different activities around the room. The class concludes with a calm and connect song with our giant feathers or bubbles leading into sticker time.

What will my toddler learn?

The class has been created by experienced dance professionals, professional songwriters and early learning experts. There are benefits in every song! Our original mirror song is designed to teach toddlers the 16 hand gestures they should be developing by 16 months.

“Playful exploration of music and dance with the support of a familiar caregiver can make a significant contribution to play, development and learning”

- Dr Cathie Harrison, Early Childhood and Gifted Education Consultant.

Are the teachers qualified?

All teachers have their Working with Children Check and follow the program that is endorsed by early learning experts.
